BUDGET MEETING ANNOUNCEMENT

City Council wants to hear from you on Monday, February 1, 2010

This public input session gives residents, businesses and interested organizations an opportunity to share ideas with City Council as part of the 2010 budget deliberation process. Everyone is encouraged to attend and, if you so wish, to make a presentation at this public meeting.

Written submissions received by the City prior to the meeting will be copied for Council and the public and those presentations will be placed first on the agenda. People who wish to make verbal submissions may do so at the meeting and staff will attempt to place

them in order on the agenda prior to 7 p.m.

Speakers are asked to limit remarks to five minutes to allow as many people as possible to participate.

Council will discuss various budget and departmental issues from 2 p.m. to 7 p.m. The public is welcome to watch these discussions.
